

# Spring 2012 FVHCA Career Experience Events Schedule

Please note: sessions are available on a first come, first served basis and are for individual students interested in learning more about the career areas presented and are not for class groups. If you are a high school student interested in a potential job shadowing opportunity, you must complete one of the sessions below first. Thanks and enjoy! \*\*

**Please remember:** Sessions are limited to a certain number of registrations and have been very popular. If you register and aren't able to attend your session, **please** follow the instructions on the website to cancel so another student can have your spot. Also, each facility receives a registration sheet with your name and contact information for the session you sign up for; if you are a no-show, it doesn't go over very well 😊 We understand that things can come up, but just remember to cancel ahead of time or if it's the day of the event, call the facility contact person and let them know you won't be attending. Thank you!
